## Introducing the agent Blu

The **agent Blu** is a stylish bluetooth headset with one touch design for simplicity and ease of use

### Product Benefits

The Agent Blu is a super sleek and stylish bluetooth headset offering a multitude of functions including Multipoint Bluetooth Connectivity, which allows more than one Bluetooth device to be connected simultaneously.

It has a connectivity range of up to 30 feet (10 metres) from your bluetooth device allowing you to roam around the office and the one touch design allows for simplicity and ease of use.

Agent has become one of the fastest growing brands in the UK. Our cost effective, high quality products have enabled Call centers and Offices to experience high quality sound and audio at a fraction of the price of mainstream phones.
