

INTERQUARTZ

the professionals' choice

Voyager Speakerphone— 9283

Key Features

- Triple standard message waiting (high voltage, reverse polarity & voltage drop)
- 10 non-volatile memories
- Full handsfree working
- Ringer indicator light
- Ringer volume & pitch adjustment
- Locking mute button with LED indicator
- Last number redial & Recall button
- Hearing aid compatible
- Wall mountable – no additional bracket required
- ELR/TBR switchable
- MF Only

Add that little bit of something extra to the executive suite by installing the hands-free speakerphone version of the Interquartz Voyager. It offers all you need from a hotel telephone and particularly benefits from a large printable area to best display the hotel's details. It has ten non-volatile memories and it comes with a built in modem port
