

Our tapes are tested to the extreme

Whether you're down in the greenhouse or potting shed, a handheld GL-200 garden labeller produces labels suitable for most environments. Brother's patented TZ tapes produce labels that are:

- * Rain Proof
- * Fade proof
- * Humidity proof - perfect in your green house
- * Heat resistant
- * Frost resistant

Other labelling uses:

- * CD collections
- * Children's lunch boxes
- * Children's school books
- * School uniform (fabric tape)
- * Computer cables
- * Filing
- * Food labelling
- * Hi-fi wiring
- * Herb and spice labels
- * Toy boxes
- * Home financing
- * Video collections
- * Hazardous chemicals

GL-200 Garden Labeller

Permanent labelling for plants

Give your garden the professional touch...

With the GL-200 garden labeller

If you love your garden you'll know just how useful labels can be, from labelling plants to weedkiller in the shed. And the GL-200 is perfect, producing hard-wearing labels that resist rain, humidity, heat, frost and fading. You can even change the label design for that extra creative touch!

- * Useful range of label widths – 3.5, 6, 9 and 12mm
- * Easy to use ABC keyboard
- * Quick time and date printing
- * Easy to read large 12 character, 1 line LCD screen
- * Vary your design with 5 different borders and 5 print sizes
- * Convenient built-in manual cutter
- * Peace of mind with 3 year warranty

With the GL-200 the labelling possibilities are endless

The GL-200 can also label anything around the home and home office. DVDs and photo albums that hold your fondest memories and pictures need never be lost or misplaced again. Children will have fun labelling their school belongings - exercise books, pencil cases, rulers & lunchboxes. And with a wide range of symbols and frames, why not create your own unique labels to personalise gift tags and cards?

Tape options

Options include standard laminated tape including fluorescent and transparent options. Specialist tapes include non-laminated, matt, strong fabric adhesive, and flexi ID. All are available in varying widths and colours.

- * TZ tape widths - 3.5, 6, 9 and 12mm
- * Standard tape length of 8m
