Nuisance Call Block

Reduce unwanted calls such as telemarketers

Nuisance Call Block*

You can block any specified number, as well as any head string of 2 to 8 digits matching your specified numbers or numberless calls.

*Requires subscription to Caller ID service offered by your provider/telephone company. Numberless calls cannot be blocked depending on the service of your provider/telephone company.

Protect calls

DECT Security

Communications between the cordless handset and base unit are encrypted, and the encryption password is periodically changed to maintain a high level of security.

Other Features

- Long Life Battery
- Key Finder Compatible*¹
- Baby Monitor*²
- Power Back-Up Operation*³
- Customized Sound System (Equalizer)
- Shared Phonebook*²

Important

– Safety Precaution: carefully read the operating instructions and installation manual before using this product.

Completely eliminate radiation while the phone is on standby mode

Radiation Free* (Eco Mode Plus)

Eco Mode Plus cuts transmitting power to zero. The base unit stays OFF until a call comes in or a handset is activated.

*Not available for KX-TGD310GR/KX-TGD310TR.

Never disturb your sound sleep despite staying available to your important ones

Do Not Disturb Mode

Each handset can be programmed to prevent ringing during specific periods. However, the sound of the special callers by placing them in a contacts group of the phonebook can be turned on.*

*Requires subscription to Caller ID service offered by your provider/telephone company.
