

Unrivalled hands-free choice

Unsurpassed audio quality

## Calisto® 800 Series

The only speakerphone that multi-tasks like you do

Unify landline, mobile or PC calls through the Calisto 800 Series speakerphone system – and automatically update Skype or Microsoft Lync presence to show availability.

IDEAL FOR:

- Home working professional
- Small group conference calling

Simply Smarter Communications™

# Calisto® 800 Series

**No ordinary speakerphone.** Unify landline, mobile and PC calls through one speakerphone system. Enjoy premium sound and audio quality thanks to full duplex wideband audio support and advanced noise cancellation. A unique wireless microphone gives freedom of movement for remote call control.

## KEY FEATURES

### Superior call management

- Connects and seamlessly switches between calls from PC, mobile and home phone<sup>1</sup>
- A 2.4" color display and a touch sensitive dial pad for easy caller ID viewing, dialing, answering, switching, and muting across devices
- Full call control with Microsoft Office Communicator and Lync 2010
- For privacy, use with Bluetooth® or corded headsets/headphones (3.5mm)

### Uncompromising audio quality

- Premium, rich-sounding full duplex speakerphone
- Wideband audio coupled with advanced noise cancellation technology

### Freedom of movement

- Wireless microphone offers unparalleled voice transmission and freedom of movement<sup>3</sup>
- Remote answer/end/mute control
- Enables 360-degree small group conferencing when placed flat on a table
