

Doro HearPlus 333cl

Amplified alarm clock with vibrating pillow shaker

Combines very loud alert signal with vibrating pillow shaker and flashing lamp for making sure you wake up. Large dial, display and on/off indicator simplify both setting and checking alarm time and alarm on/off status. Features automatic radio-controlled time adjustment and may also be connected with phone line to use as a ringer amplifier for your phone. HearPlus 55v included.

- ✓ Loud, ascending wake up alarm
- ✓ Adjustable tone
- ✓ Easy to set and check
