

# Doro aub200h+sa

Extra hygienic phone with Polygiene® antimicrobial technology

Doro aub200h+sa\* is an easy to clean edition of our best-selling, highly durable aub200 business telephone. It features Polygiene® antimicrobial technology\* for permanent, built-in protection against harmful bacteria. A flat membrane keypad and an innovative magnetic hook switch as part of a design makes this phone much easier to keep clean. Perfect for all types of care environments including elderly care facilities, hospitals, dental surgeries, etc.

\*inhibits growth of a wide range of harmful bacteria, moulds and fungi.

- ✓ Antimicrobial protection by Polygiene®
- ✓ Easy-to-clean surfaces
- ✓
