AVAYA

FACT SHEET

Avaya 4625SW Color IP Telephone

The Avaya 4625SW IP Telephone is a feature rich IP telephone providing the convenience and productivity benefits inherent in a large screen, color graphic display design. And whether deployed on premise or remotely via Avaya's VPNremote firmware, the 4625SW delivers the extensive set of Avaya Communication Manager features directly to the desktop. Beyond telephony capabilities, because of its vibrant, colorful display, the 4625SW is ideal for running today's cutting edge phone applications — such as those in the Avaya Phone Application Suite Solution.

Benefits

• Color, backlit large screen display including support for user selected color schemes and default display images (ie company logo)

• Improved productivity with paperless labels, call log, speed dial, and web browser features

• Simplified wiring connects to your IP network with 10/100 BaseT Ethernet LAN connection

• Multiple power options, including support for power over Ethernet LAN

• Investment protection with easy upgrades via downloadable software and firmware

• Secure voice communication enabled by media encryption capabilities

Key Features

• 1/4 VGA Color display (320x240 pixel)

• Display content, applications colorized to improve visibility

• Support of JPEG and WBMP images

• WML 1.3 Browser integrated within display

• 24 Programmable Feature Keys - Automatically labeled from the system (no paper labels)

• 10 Fixed Feature Keys: Speaker, Headset, Conference, Transfer, Redial, Mute, Drop, Hold, and Volume Up & Down

• 3 Application buttons along bottom of the display - Speed Dial, Call Log, Web Browser

• Integrated switched ports for connection of PC
— Auto-negotiation provided separately for each port
— Full Duplex Ethernet connectivity
— 802.3 Flow Control on full duplex ports
— Supports VLAN
— 802.1x Multi-Supplicant support – providing separate authentication for the 4625SW and the connected PC or laptop

• Full Duplex Speakerphone with acoustic cavity for improved sound quality

• 7 position adjustable Desk Stand

• Integrated Headset Jack

• Multiple language support built-in (English, Portuguese, Dutch, German, French, Italian, Spanish, Chinese, Korean, Russian, and Hebrew)

• G.711, G.729A/B, and G.726A voice codecs

• QoS Options of UDP Port selection, Diffserv, 802.1p/q

• Support for Simple Network Management Protocol (SNMP) version 2

- LLDP (802.1AB) support for simplified management
- DHCP client and Statically (Manual) Configurable IP Addressing
- Multiple power options
- 10/100 BaseT Ethernet connections
- Wall mountable with included desk/wall mount stand
- Message Waiting Indicator

- Downloadable software for future upgrade capability
- Hearing Aid Compatibility
- Icon button labeling with English printing on the housing
- 8 Personalized Ring Patterns
- Voice media encryption
- Integrates with Avaya Converged Network Analyzer

Requirements:	The Avaya 4625SW with large, color display and integrated web browser is ideally suited for IP phone applications — such as those within the Avaya Phone Application Suite Solution	

• Size (with desk stand in two positions): 9.8" W x 9.3" L x 4.5 or 7.0" H (249mm x 236mm x 114/178 mm)
 • Weight: 2.8 lbs (1.3 kg)
 • Operating Temperature: 40° to 120° F (4° to 48° C)
 • Multi-Gray Color
 • Avaya Communication Manager
 • TN799C or higher circuit pack (C-LAN)
 • TN2302AP circuit pack (Prowler)
 Note: the Avaya S8300 Media Server does not require the two circuit packs listed above
 • Local or Centralized Power Supply
	• Broadcast Server
	   —text, graphics and audio broadcasts
	   —Security alerts
