The new P-touch 1005BTS
labelling machine

www.brother.co.uk

- Uses four different tape widths to give you the right size label for the job.
- Built-in time/date clock enables you to clearly label food for freezing or storing.
- Long lasting labels from P-touch.

Features

- Large 12 character display makes it easy to preview labels before printing.
- Prints up to two lines of text for detailed labels.

Brother P-touch

Laminated labels have been tested to the extreme, which means that even when they're exposed to water, sunshine, heat, cold, chemicals and abrasion, our labels have been designed to last.
