The agent 500 is a single ear, medium use office/call centre headset

Headset Benefits

The agent 500 is a lightweight and robustly built headset. Designed specifically for low noise level call centres and offices, this headset delivers high end audio and sound quality. Both stylish and functional, the agent 500 provides wearing flexibility as well as interchangeable voice tube and ear cushion to promote hygiene.

agent has become one of the fastest growing headset brands in the UK. Our cost effective, high quality headsets have enabled call centres and offices to experience higher levels of productivity and efficiency, which allows them to provide a better customer experience.
